

ONE VOICE
By Clarice LaVerne Thompson

**Here we stand
Many voices
Filled with hope and filled with joy.**

**Hope for peace
For all people
Hope that love dwells in our hearts all together
Blending as One Voice.**

**Here we stand
Friends and family
We create this community
From Woonsocket
From south county
From the East Bay to Scituate all together
United as One Voice.**

**Ooooo
Ooooo**

**Here we stand
Friends and family
We create this community**

**From New-port
And Black-stone Valley
Westerly to Providence
All together
United as One Voice
All together
United as One Voice.**

TODAY, TOMORROW, RHODE ISLAND
By Clarice LaVerne Thompson

Today, Tomorrow, Rhode Island
Today, Tomorrow, the world
We may be small but united we're tall
Blended cultures from around the world.

Today, Tomorrow, Rhode Island
Bringing hope, peace, and joy to the world
We may be small but united we're tall
Blended cultures from around the world.

[VERSE - SOLO]

Take time to explore the ocean state.
Travel winding roads crossing streams and lakes.
Stroll and discover quaint neighborhoods,
Sampling tasty treats as you meet and greet

Today, Tomorrow, Rhode Island
Bringing hope, peace, and joy to the world
We come together to sing as One Voice
We're the people... of Rhode Is-land.
Little Rhody, the Ocean State
